

Copper Coin Collection

Wow we asked the children to donate as many 1p and 2p coins as they and their families could collect for our **Copper Coin Collection** and they did **amazingly** well. Children brought in coins from **Monday 1st February to Friday 5th February** to support us raising money for two great causes, the NSPCC and Maths Games and Puzzles for our school.

The children enjoyed seeing the amount of coins build each day. It was a great way for them to see that small amounts can build into large amounts when we all make a contribution. Well done everybody!

Altogether we collected

£212.68

Well done to the following children for getting the closest estimates for their key stage.

Ava Smith Year 1 (£99.00)

Ellis Halvorsen Year 2 (£99.00)

Layton Lomas Harrison Year 2 (£99.00)

£99.45
