MATHS

STAY & PLAY

Friday 8th December 2017

A collage of various toys and games. At the top left is a fish-shaped stacking toy with colorful segments. Next to it is a square block set with many small colorful squares. To the right is a geometric shape set with colorful blocks. Below these is a grid with the word 'MATHS' in a stylized font. In the center is the text 'STAY & PLAY' in large, colorful, bubbly letters. Surrounding the text are several playing cards, including a Jack of Spades and a Queen of Hearts. At the bottom are two board games, one in a green box and one in a blue box, and a set of chess pieces.

MATHS

STAY & PLAY

A collage of colorful, child-friendly illustrations. At the top center is a blue and orange fish. To its right is a square patchwork quilt. Further right are three dominoes. Below the fish is a grid containing the word 'MATHS' in a simple, outlined font. To the right of the grid are the words 'STAY & PLAY' in large, bold, multi-colored letters. Below these letters are several playing cards, including a Jack of Spades and a Queen of Hearts. To the right of the cards is a box for a board game called 'MATHS'. At the bottom right are several chess pieces, including a king, queen, and pawns. The entire collage is decorated with small, colorful splatters and dots.
