Friday 2nd February 2018

Stockton Wood Primary School

STAY & PLAY

Thank you to all of the parents who came to 'Stay and Play'. We had lots of fun using our maths skills together.

We hope to see
you again next
time

We had two themes running through our Number Day ...

Making maths fun -

using puzzles and games we encourage pupils to use their skills to solve problems/win the game and discuss how they did it.

Making Maths Meaningful -

here we participated in activities that use maths in everyday life (time, money, shopping, measuring, cooking, sports)
