

Stockton Wood Primary School
'Laying Foundations for Life'

16.5.16

Dear Year 6 Parents,

I am writing to let you know how impressed we were with the children's **conduct, positive attitudes and tremendous efforts** last week during SATs week. I hope you are very proud of them too!

We were also delighted that all the children took part in the **Reading Mentor Project** this year. This was a valuable experience for all with the children benefitting from personalised support to **develop their reading fluency - a key skill for life**. We enjoyed the last session together last night with staff commending the children's **enthusiasm and achievements** and awarding certificates.

The teachers will complete **final assessments** of the children's achievements at the end of June so it is very important that the children continue these **fabulous efforts** as they complete their final programmes of work.

Over the next few weeks the children will benefit from **personalised support** for writing through guided writing sessions during the school day or tutoring after school prior to teacher assessment being completed for submission to DFE so attendance every day remains vital.

Look out for **Parent Information** coming soon with regards to topics and activities scheduled for this term - it is always a busy and exciting term for Year 6.

Thank you to parents who joined us at Parents' Evening - if you couldn't make it do contact the teachers to re arrange your appointment.

We are looking forward to celebrating the children's achievements with you at the end of the year and sending the children on their way having secured their foundations for life at Stockton Wood!

Thank you so much for your support.

Yours sincerely,

S.E.Stacey

Head teacher
