**How do you become an inventor?**

**Term:**  
**Spring 1**

**Year**  
**1**

**Our Wow day is:**

**Our Celebration is:**

**We are going to find out about famous inventors from around the world.**

Alexander Graham Bell invented the first telephone.

Thomas Edison invented the light bulb.

**We are going to become inventors for the day!**

## At home you can:

Start collecting recyclable objects to bring into school.

Help your child complete their homework every week.

Read with your child each night for 5-10 minutes.

Help your child to learn to following spellings at home:  
inventor      make  
inventions    design

## On the web you can:

Find out about George Stephenson.

Find out about other inventors and what they invented.

Log in to RM Easimaths at home.

## Please send into school:

Photos of your child visiting museums or finding out about different inventions.

Any information children find about inventors (George Stephenson).

1R and 1H love to read!

Year 1 are reading lots of books by our visiting author Nick Sharratt.

Please read at home with your child every day.
