

### Come along and meet your child's class teacher!

Dear Parents,

Please come along to a class information session with your child's class teacher.

This is a very informal session and will ensure that all parents know about their child's class timetable, weekly activities and routines so parents will be able to make sure children are prepared for school each day and have the correct kit, homework etc.

Class teachers will also be able to give you tips about reading with your children and how to help your children with their numeracy skills.

The session will give all parents an opportunity to ask questions and get to know their child's class teacher. **The sessions will take place from 2.45pm to 3.15pm.** Dates for each class are listed below. Please make your way to your child's **classroom door** on arrival where you will be greeted by the class teacher.
