Our question is:

Volcanoes and Earthquakes.

What are volcanoes and earthquakes?

**Term:
Autumn 1**

**Year
3**

Our HOOK is to:

**Our Parent celebration is:
(date and time to follow)**

Watch a volcano erupt!

**Come and see what we know
about volcanoes.**

At home you can:

Please send into school:

*Watch videos of volcanoes erupting on You Tube.

*Talk about what happened when famous volcanoes erupted. Look at Eyjafjallajökull in Iceland. *Think about what it would be like to live near a volcano.

Remember to keep working hard on other things too like:

*Reading a little bit of your book every day.

*Practising your 2,5, and 10 times tables. Then try to learn x3 and x4

*Learning and writing your weekly spellings ready for a spelling test every Monday.

*Library books you get all about volcanoes.

*Information you have found on the Internet.

*Good websites you have found for children to learn about volcanoes

*Remember to bring your book bag to school every day.

*PE is on a Thursday for 3W and Friday for 3M.

*Both classes swim on Wednesday afternoon.

On the web you can:
