

CONVERSATION:

The working day

Question opportunity!

What do the adults in your family do during the day? Do they get paid and, if so, how much?

Allow your child the opportunity to find out what you do during the day or night, whether it is:

- Volunteering
- Working
- Caring for family etc.

Conversation!

Talk about how you decide what to spend any money that you earn or receive on. What are the priorities and why? Talk about your needs and wants – do they differ to theirs and, if so, how/why?
