

November 2022

Dear Parent/Carer,

I'd like to make you aware of my new role this year. As well as continuing to teach in nursery I am also the Parental Engagement Lead. As you know we have held some exciting Stay and Learn sessions in your children's class last half term, don't worry if you didn't make that one as there will be more to come.

We have also had some information sharing sessions linked to RWI (Read Write Inc) and SEN (Special Educational Needs). I hope you found them useful. In the spring term, we will be holding Parental Sessions linked to attendance (led by Sheila Smith) and Internet Safety (led by Mr Moffatt from MGL).

## What I would like to know is, is there anything that you would like to be supported with? Anything that you would like more information about?

Please take 5 minutes of your time to complete the slip below and return it to school by Friday 2<sup>nd</sup> December. It can be anonymous or include your child's name, just hand the slip in to your child's class teacher or to me directly if you pass the nursery door in the morning.

Thank you in advance.

Yours sincerely,

Mrs M. Ikuta

Nursery Teacher and Parental Engagement Lead

I would like to see offered...
