

Social Communication and Behaviour Workshop

Date: Tuesday 20th June

Time: 9:10am

Venue: Stockton Wood Primary School

The workshop is for all families of primary school children with or without a diagnosis.

The sessions will offer practical ideas and strategies to support your child's social communication development and behaviour.

The workshops will support you to:

- understanding the underlying issues with Social Interaction and Social Communication difficulties.
- understand why and how your child may be experiencing or reacting to certain situations and environments.
- develop strategies to support the development of Social Interaction and Social Communication.
- encourage shared play/friendships and build confidence and independent skills.

Please feel free to come along and gain more information regarding Autism this will be a relaxed group session where you are free to ask questions. This session lasts approximately 2 hours but feel free to pop in for as long as you can.

Come along, have a cuppa and feel supported.

Previously when we have run these sessions parents have reported that they found it very useful and supportive.

Thank you,

Miss Jones (SENDCo)

Ms. Ikuta (Parental Engagement Lead)
