'Laying the Foundations for Life'

Hello everyone,

Stay and Learn Sessions

I hope you enjoyed learning alongside your children this week. We had a great turn out and I saw some lovely activities: potion making, shell printing, Ipad quizzes and catapult making being just a few. We won't have a stay and learn session next half term, but we will be inviting you to Christmas performances. Dates will be shared after half term.

Spooky Disco

Thank you to everyone who supported our first fundraiser of the year – our Spooky Disco! We raised an amazing £1140.58! This money will go towards the redevelopment of Key Stage 2 playground. Thanks to the staff who organised and stayed behind to help too.

After school clubs

Emails have been sent to year groups offering places for a variety of after school clubs next half term. As well as four sports clubs, we have a lego club and arts and crafts club.

Poppy display

We will be having a whole school poppy display after half term. If there are any avid crafters who may be able to knit or crochet a poppy or two, we would appreciate any donations. 😊

Staffing roles and responsibilities

If you have any concerns about your child, in the first instance I would ask that you contact class teacher. If this is not an option, then the next point of call would be your child's phase leader:

EYFS – Ms Ritchie

KS1 – Mrs Daly

KS2 – Ms Buckingham

After speaking to phase leaders, if you or a phase leader feels there needs to be additional support, then a senior member of staff will become involved. This would be Miss Jones or Ms Rufus in the first instance.

Parental Engagement

Mrs Cunliffe will be in touch after half term with information about two parent sessions that we will be offering. The first one will be run by Mr Moffatt and will be to support Online Safety – linked to any new devices that children may be lucky enough to receive for Christmas. The second will be a Quiet Place information session, led by Audrey and Maria.

Attendance for this half term

		Year 3	95%
Reception	96%	Year 4	95%
Year 1	95%	Year 5	96%
Year 2	96%	Year 6	93%
		Average	95%

The school attendance target is **97%**.
