

# Stockton Wood Primary School

@YRStocktonwood

Complete one activity each week, in any order that you choose. You are welcome to do more. Homework activities are due in by Friday 9th February.

Reception Homework Matrix  
Spring 1 2024

Superhero's

## Physical Development

Working on gross motor skills, can your child swing from one monkey bar to the next, can they act like a superhero?

## Your Name and fine motor

This is still a massive push in Reception, please continue to practice writing your name.

## Being independent

As we are now in Winter, your child needs to be able to zip their coat up independently, please can you practice this at home. We also ask that hats, gloves, scarfs etc are clearly named.

## Math's

Composition of 5, we have been looking at different ways to make 5. One of our favourite games has been throwing 5 beanbags into a hoop and seeing how many landed outside of the hoop. Maybe you could play this at home!

## Crafts

Can you make your own superhero craft? We would love for you to bring it in for us to display.

## Sentence Writing

We have a story friend called Wise owl, he helps us to check sentences and make them as good as we can. Can your child tell you how to make this sentence better?

The cat is on the bed

capital letters	finger spaces	neat letters	sound out words	full stops	read it out

## Seasons

Can you look for signs of Winter? Is it icy or cold?  
Could there be snow?

## Stories and Rhymes

Stories and Rhymes are so important can you read any superhero stories or rhymes?

## Communication and language

As valentines day is approaching, can you talk about who you love and why?
