Stockton Wood Values

As a school community we **RISE**.

R – Respect

The curriculum driver of Respect is a foundational value in our school, fostering excellent behaviour and positive relationships.

This links to the British Values: Democracy, Rule of Law, Mutual Respect

We prioritize teaching children the skills to collaborate and be respectful in various situations. Understanding different cultures, beliefs, and religions is essential for our students to grow into respectful individuals.

I - Include

The curriculum driver of inclusion aims to facilitate learning by removing barriers to education, ensuring that all students have equal access to educational opportunities.

This links to the British Value: Individual Liberty.

The school prioritizes emotional and mental well-being, providing an environment where students can thrive academically and socially.

S – Succeed

The curriculum driver of success aims to nurture students' confidence and belief in their abilities by offering opportunities to develop talents and broaden experiences.

It focuses on acquiring essential skills such as literacy and numeracy through cross-curricular applications.

Additionally, it enriches the curriculum through outdoor learning, offering hands-on experiences that foster holistic growth and learning. This approach also emphasizes the development of vocabulary, ensuring students have a strong foundation for successful communication.

E - Encourage

The curriculum driver of encouragement promotes having a positive attitude towards all.

This links to the British Value: Tolerance of those of different faiths and beliefs

We encourage community engagement and foster global awareness allowing students to see the impact of their education in the real world. This includes integrating differing perspectives into subjects like History, Geography, Literature, RE, Art, and Music, ensuring that students develop a well-rounded understanding of the world.

Positive reinforcement is integrated into school life to encourage and reward student effort and achievement.

Rewards and sanctions

At Stockton Wood we believe that children learn by praise, reward and celebration. Good behaviour is encouraged through praise and reward.

Rewards we use are:

- Verbal praise
- Stickers
- Certificates
- Dojo points (KS1 and KS2 weekly dojo winners have a 'Hot chocolate/juice and biscuits' reward session with the Headteacher)
- Weekly merit award in 'Reward Assembly'

The school may use one or more of the following sanctions in response to unacceptable behaviour:

EYFS:

- Nursery children receive a verbal warning, followed by a second verbal warning. If necessary, time out for 3-4 minutes on the 'thinking chair' is used. If unacceptable behaviour persists or escalates, a further time out is given in Reception's shared space with an adult from Reception.
- Reception children receive a verbal warning, followed by a second verbal warning. If necessary, the child has time out with a 'fresh face' (a different adult in Reception). If behaviour persists or escalates, a further time out is given with EYFS/KS1 manager. When necessary, there will be Assistant Headteacher/Deputy Head/Headteacher involvement.

KS1/2:

- Children will receive a verbal warning. If unacceptable behaviour persists, the child will be given a mark on Arbor behaviour tracker.
- After receiving three marks on Arbor, the child will be sent to another class teacher to be given time to refocus.
- After receiving four marks on Arbor, the child will be sent to the Assistant Headteacher/Deputy Headteacher.
- Five marks on Arbor will result in Headteacher involvement and a phone call home to parents.

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

Sanctions for sexual harassment and violence include:

- Phone call/meeting with parents
- Structured play/lunch

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Reporting an incident using CPOMS
- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to our child protection and safeguarding policy for more information.

Off-site behaviour

Any mis-behaviour off-site when representing the school will warrant phone calls home to parents/carers.

This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy.

Behaviour management

Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct or their own classroom rules
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of afternoon lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment

- Be recorded and reported to parents

Confiscation

Any prohibited items (knives and other weapons; alcohol; illegal drugs; stolen items; tobacco and cigarette papers; fireworks; pornographic images; any article that has been or is likely to be used to commit an offence, cause personal injury to damage or property) found in pupils' possession will be confiscated.

The legislation sets out what must be done with prohibited items found as a result of a search: weapons and knives and extreme or pupil pornography must always be handed over to the police, otherwise it is for the teacher or Senior Leadership Team to decide if and when to return a confiscated item.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

Monitoring arrangement

This behaviour policy will be reviewed by the headteacher and full governing body annually. At each review, the policy will be approved by the headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the full governing board annually.
