

# Stockton Wood Primary School

@YRStocktonwood

Complete one activity each week, in any order that you choose. You are welcome to do more. Homework activities are due in by Friday 13th February.

Reception Homework Matrix  
Spring 1 2026

Superheroes

## Physical Development

Working on gross motor skills, can your child swing from one monkey bar to the next, can they act like they are a superhero?

## Your Name and fine motor

This is still a massive push in Reception, please continue to practice writing your name at home, remembering out letter formation. Can you help peg the washing up at home, using your crocodile grip?

## Being independent

As we are now in Winter, your child needs to be able to zip their coat up independently, please can you practice this at home. We also ask that hats, gloves, scarfs etc are clearly named.

## Maths

Composition of 10, this term we will be looking at all the ways we can make 10. Can you use different objects to find all the ways to make 10?

## Crafts

Can you make your own superhero craft? We would love for you to bring it in for us to display.

## Sentence Writing

We have a story friend called Wise owl, he helps us to check sentences. Can your child begin to write simple sentences independently, such as, The big cat can run.

Using our sentence checker to help?

capital letters	finger spaces	neat letters	sound out words	full stops	read it out

## Seasons

Can you look for signs of Winter? Is it icy or cold? Could there be snow? What does the weather feel like? How can we keep warm?

## Stories and Rhymes

Stories and Rhymes are so important can you read any superhero stories or rhymes?

## Communication and language

As valentines day is approaching, can you talk about who you love and why? Encourage your children when answering questions to use full sentences.

Can you write/make your own valentines card?
