Year 1 Homework Matrix

Summer Term 1 2026

Science : Plants

History: Shopping overtime

R.E. : What does it mean to belong to a faith community?

Art

Get creative and use your drawing skills to draw your favourite plant.

This could be a wild flower, a tree or a garden plant.

Whooooo Remembers? History

Speak to family members from different generations. How did they shop when they were young? What did they buy? How did they pay for it? Record and share with the class.

Reading for Pleasure

Write a book review of a book you have enjoyed reading with a family member at home. You could go to Parklands Library and read some new books. We would love you to share your recommendations with the rest of the class.

Maths

Have fun creating times table posters for x2, x5 or x10

Can you record some facts?

Multiples of ____ always . . . Never . . . Sometimes!

Let's Keep Fit and Healthy!

Get busy at home by practicing your running, jumping and balancing skills in preparation for Sports Day this half term!

Look at the website for more information.

R.E.

How should we care for others and the world?

Why does it matter?

Draw ideas and share with the class.

Whooo Remembers?

Science—Senses

How many senses can you name?

Record examples of how you have used each sense at home or when playing outdoors.

Writing Task

Family News / Events

Can you write about special events that have happened within your family recently? Ask an adult to dictate sentences to you and you show them how fantastic you are at using your RWI hand writing

independently.

Science - Plants

Observe and record the changes to plants in the local area.

What can you see growing?

How do the plants change over time?
