## **Aspirations Week - bigger and better than last year's!**

**A big thank you to Mrs Kent who organised this week and also wrote the first part of this newsletter.....**

What an incredible Aspiration Week we've had at Stockton Wood!

Throughout the week, our pupils have had the opportunity to meet a wide range of inspirational people, learn about different careers and discover just how many exciting possibilities the future can hold.

We would like to say a huge thank you to everyone who supported this year's event. A special thank you goes to Adient for sponsoring our Aspiration Week, sharing information about the many varied roles within their company and, of course, for treating us all to some delicious cakes!

We are incredibly grateful to Jonathan from North West Fire and Rescue, our governor Claire, PC Byron, Hayley for giving an insight into nursing, Reverend Fiona, Miss Hollis' friends from the ambulance service, Mr Jones from the FA, Liverpool FC, Emma and Stephen from Liverpool Airport, Laura from Speke Hall, Julie from The Walton Centre, Stephen from Artifex Interiors, Jan and Jim from Launchpad and our very own Mr Boyd, who showed the children the important role of a site manager.

Each visitor brought something unique and inspiring, sharing their experiences and encouraging our children to aim high, work hard and believe that anything is possible. The enthusiasm and curiosity shown by our pupils throughout the week have been wonderful to see, and we hope these experiences will stay with them for years to come.

Thank you once again to all of our visitors for giving up their time and helping to make Aspiration Week such a memorable and successful event. Your support has helped our children to broaden their horizons, raise their aspirations and begin to imagine the exciting futures that await them.

Important dates:	
17-19th June	Year 6 Condoover Hall
