

# Stockton Wood Primary School

Complete one activity each week, in any order that you choose. You are welcome to do more.

Homework activities will be shared during the last week of the half term.

(Need a helping hand? Please ask if you need a pencil, colours or paper to do your homework.)

## Year 4 Homework Matrix

Summer 2 2026

Math and English

Science : 'Digestive System' and 'Food Chains'

Geography: Rivers

### **Holi**

Last half-term we learned about Hinduism in RE. Holi is the Hindu festival of colour. Research this festival and create an information poster.

### **Autobiography**

We will be writing an biography based off the main character in our English book 'Manfish'.

Can you write an autobiography about yourself?

### **DAILY QUICK FIRE ACTIVITIES**

Practice times tables .

Read as often as possible and record in your reading record.

Log onto Language Angels and practice Spanish

### **Digestive System**

We will be learning about the digestive system in Science. Can you build a model of the digestive system using household items?

### **Let's get crafty!**

We will be writing an invention narrative in English. Can you create your own invention?

You could draw, paint or create a prototype of your invention.

### **Get Talking!**

This is our last half-term in Year 4. Talk to someone about your favourite memory so far.

Could you write a narrative about this memory to share with the class?

### **River Mersey**

We are learning about local rivers in Geography. Research Liverpool's River Mersey and create an information report or poster on everything you learned.

### **Get Creative!**

We will be learning all about Pixel Art in Computing, can you create your own piece of pixel art?

### **Be Kind to yourself**

It will be a busy half-term so it is important to be kind to ourselves. Get some fresh air, spend time with family and be kind to yourself.
