Welcome back to school!

I hope that you all enjoyed the lovely weather over the summer and that you are all back into the school routine! Our children (and staff!) have settled well and it has been lovely to welcome our new Reception cohort into school. Many of you have attended 'Meet the Teacher' meetings this week - if you were unable to attend these, the PowerPoints are available to view on our website. Please also look at our year group Chatter pages to see a glimpse of some of the activities that your children have enjoyed.

XT Wraparound

Our new after school wraparound provision has got off to a great start! Two sessions are available to book: one that finishes at 4:30 pm and then an extended session that finishes at 6pm. All bookings need to be made directly with XT - emails have been sent explaining this process.

Attendance Meeting

Sam and Sheila are hosting an Attendance Coffee Morning on Thursday 17th September at 9am. They will be talking about our attendance procedures, how we work with our Educational Welfare Officer and provide an overview of what happens when families take holidays during term time.

Attendance Matters

School target is 97%

Reception 99% 	Year 1 96%	Year 2 97% 
Year 3 94 %	Year 4 91%	Year 5 99% 
Year 6 96%	Be an Attendance Hero	

LifeSavers

LifeSavers starts Tuesday 15th September. Our new cashiers have been trained and I am sure that they will be fantastic in their new role. Please remember that children need to bring their payment book and money in the correct folder. Year 1 children will be invited to join our school bank after October half term.

Values Champions

Our Friday reward assemblies are going to look a little different this year. Instead of 'Star of the Week', we will be celebrating multiple children in each class who have demonstrated out school values: Respect, Inclusion, Succeed and Encourage.
