Cathedral Choir

This year, we are excited to be working with Liverpool Cathedral Choir! They will be delivering singing lessons to our Year 3 children and also running an after school choir for Years 2-4 on Tuesdays. There are still spaces available for their after school club - please express an interest by contacting the school office.

School Council update....

Last week, our new School Council was announced - congratulations to those who have been selected to represent their class. More children than ever ran to be elected and I would like to thank them for writing speeches at home and willingness to make a difference. Our new School Council will meet with Ms Martin shortly and I have asked them to consider how we can make sure any child with allergies is able to take part in birthday treats brought into school. This supports the work that we are doing inline with Benedict's Law.

Power Project

Our Year 3 children have started to work with LSSP on an exciting Power Project. This concentrates on Physical, Openness, Wellbeing and Emotional Regulation. The project will last six weeks and takes place on a Friday afternoon.

Hello Yellow Day

On October 9th, children and staff are invited to wear a touch of yellow with their uniform: socks, hair bows, ribbons, gloves etc. We will be celebrating Hello Yellow Day which is about raising awareness of youth mental health. Children will be completing a variety of activities linked to mental health.
