Anfield Trip

A small group of our children have been to Anfield today as part of the club's work on Black History Month. Miss Roberts accompanied the children and was proud of how they represented our school. Photographs will be on Chatter early next week.

School updates....

We are looking forward to welcoming you to school for our Parents' Evening next Thursday. Many of you have already made appointments via Arbor. EYFS staff will be holding their meetings at the front of the school - we will signpost you on the evening. **If possible**, please arrange childcare for the evening, as Parents' Evening is intended as an opportunity for adults to discuss children's learning, progress and wellbeing in a calm and private environment.

After school clubs

After half term we will be introducing two more after school clubs: Mrs Rogers will be running a Reading Club for Year 3 and Miss Roberts will be running an art club for Year 1. There will also be a change in sports clubs offered by our coach Tobias. Please keep an eye on your emails for updates.

Stay and Learn

Just a reminder that our Stay and Learn sessions take place the week beginning 19th October. We would like to invite our Reception families to come in at 2:30pm so that we can give a brief overview about Read Write Inc (our phonics scheme) before you join your child's class.
