Summer Term 2019

Starts:

Tuesday 23rd April

Term Ends:

Wednesday 24th July

Dear Parents,

We are now completing our last 'half term' of the year. This is a very busy and important term as children complete their programmes of study and prepare for transition to their next year group. **Look out for information about school trips and end of term events such as sports days.**

**School trips** are carefully planned to provide children with the opportunity to visit places with contrasting environments and to widen their experiences. The cost of the trips are subsidised using school funds and the Pupil Premium grant but we must also ask for donations towards the trips to help cover the costs. Thank you for your support.

**Well Being Week – 'Healthy Inside and out!'**

## Assessments and Tests

Please remember that during June all year groups complete end of year assessments and tests and Year 6 complete their writing and science assessments. It is therefore essential that children attend school every day so that they can prepare for and complete this important work.

Our Lifesavers club is now established - we are so proud of our 'LifeSavers' members – our super savers, fantastic pupil cashiers and wonderful parent volunteers!

## Attendance

Our current attendance is 96.2% - keep up the great efforts! We are proud that so many children come to school every day! Last week the following classes had the best attendance:

- Infants: Classes 2W and 1R achieved 99% Wow!
- Juniors: Class 3B achieved 100%! Wow! Wow! Wow!

We have the 'Book People' book fair in school – books at great prices. Book fair will be open tomorrow at 8.55am – 9.30am and 3pm to 3.45pm.

## Farewell!

We are saying farewell tomorrow to Miss. Wilson and Miss. Towers as they both prepare to move to new jobs. Miss. Wilson and Miss. Towers have provided support and great care towards the children and we thank them for their commitment over a number of years. We wish them much success in the future!

Yours sincerely,
