

Mrs Ritchie and Mrs Todd

Targets

This term we are working towards:

SEAL – We are working on our friendships with others and how to make them stronger. We are also learning to know what to do if we make somebody feel sad, or if we see someone feeling sad in our class.

Writing – We are learning to write 3 and 4 letter words and using full stops and finger spaces when we write a sentence.

Maths – We are finding different ways to make 5, 6, 7, and 8. We are also learning how to find the total of two groups by counting them altogether.

Our Topics

This half term we are learning about Spring, and the changes that happen to the world around us. We are looking forward to our Spring Walk where we will look at the changes that have happened to our environment since our Winter Walk. We will be doing some observational drawings of plants and flowers, we will be looking at the seasonal changes to our blossom trees, and will be planting and caring for some plants in our playground as well as a special seed that we will each plant and care for in class before taking them home.

We are looking forward to celebrating Easter in our class. We will talk about why we celebrate Easter and who celebrates it. We will talk about other celebrations such as Pancake Day (Shrove Tuesday) and Ash Wednesday and what happens when Lent begins. We will also enjoy celebrating Mother's Day, creating special surprises for our Mum's and families that take care of us.

Class Information

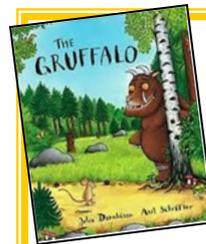

Reading books are changed on a Monday morning.

Book bags need to be in school everyday please

P.E. this half term is on a Friday morning

Homework is given out on a Friday and is due in on Monday mornings

Author Study

In our class we are enjoying books written by **Julia Donaldson**. We have a cosy reading corner where we can go to read some of her stories. Most of her books have lots of exciting rhyming words. She wrote a famous book called **The Gruffalo** which was made into a film.
