

# Year Three

I see maths every morning when I get the bus to school. I have to look out for the number 82.

**Khamal Al-Selwi**

I've moved house and the man who fitted my carpets must have used perimeter because I saw him using a tape measure.

**Cody Taylor**

I use money when I buy things from the shop.

**Marc Cawley**

I see maths in our classroom everyday. Our displays are rectangle shapes and they have perpendicular and parallel lines!

**Madeleine Wileman-Duckworth**

# When have you used Maths?
