

# Nursery

Before I was 3 was I 2?

*Scarlet*

If there are 3 numbers then it's a 100. 100 looks like one and a zero and zero.

*Bobby*

24 looks like a 2 and a 4. We have 24 children in today. We need a 10 and a 10 and a 4 (Numicon).

*Alfie F.*

# When have you used Maths?
