

Dear Families of Stockton Wood,

We are pleased to share some truly wonderful news with you all!

Stockton Wood Primary School has been awarded the **GOLD** mark for the Liverpool Reading Quality Mark.

This is a tremendous achievement and it reflects how hard **everyone** in our school community works together.

Overleaf you can find a list of all the fantastic things we do with regards to Reading in our school.

Huge thanks to all our families who support us with these activities. It really does make a difference as our **GOLD** award shows!
