

Year 6 Easter School

Dear Parents,

The children have been working well and making good progress this term preparing for their SATs (tests). **Well done Year 6!**

Lots of children are already attending tutoring sessions after school and we are delighted to be able to offer additional support and tutoring by invitation to members of Year 6 during the Easter holidays. These sessions will take place from 9.15am until 12pm from Monday 26th March until Thursday 29th March.

We will meet each day at 9.15am and enjoy breakfast together before we get busy and the children will be rewarded at the end of the week for their commitment to their learning.

It is really important that the children keep practising their key reading, spelling and arithmetic skills and maintain their fluency at home during the Easter break as there are only 4 weeks after Easter before the children complete their tests!

You can support your children at home by encouraging the children to use our online reading resource, **Reading Plus** and online Maths resources, **Times Table Rock Stars** and **RM EasiMaths**. If the children have lost their **log in** details please contact school.

Don't forget the tests will take place the **week beginning 14th May 2018** – the schedule is listed below:

Date	Activity
Monday 14 May	English grammar, punctuation and spelling papers 1 and 2
Tuesday 15 May	English reading
Wednesday 16 May	Mathematics papers 1 and 2
Thursday 17 May	Mathematics paper 3

We would like to invite _____ to attend Easter School.

Please confirm your child's attendance by signing and returning the attached form.

Yours sincerely
