School Term Dates

Summer Term 2018: Starts: Tuesday 10th April Ends: Tuesday 24th July

Dear Parents,

We are now completing our last 'half term' of the year. This is a very busy and important term as children complete their programmes of study and prepare for transition to their next year group. **Look out for information about school trips and end of term events such as sports days.**

School trips are carefully planned to provide children with the opportunity to visit places with contrasting environments and to widen their experiences. The cost of the trips are subsidised using school funds and the Pupil Premium grant but we must also ask for donations towards the trips to help cover the costs. Unfortunately trips may need to be cancelled if costs cannot be covered. Thank you for your support.

Summer Term Class Assemblies

We would like to invite parents to attend their child's class assembly which will celebrate the children's achievements this year. Look below for dates for each class. We look forward to families joining us for these very enjoyable occasions.

Assessments and Tests

Please remember that during June all year groups complete end of year assessments and tests and Year 6 complete their writing assessments. It is therefore essential that children attend school every day so that they can prepare for and complete this important work.

Yours sincerely,
