Parent Volunteers Needed

Dear Parents/Carers,

As we mentioned last term we are pleased to be part of the 'LifeSavers' financial education programme, partnering with the Central Liverpool Credit Union. This partnership will mean the school sets up an in-school savings club, giving pupils a fantastic educational opportunity to learn about effectively managing their personal finances, an important skill now and for life. We will initially start the Savings Club with KS2 pupils and then gradually roll out to KS1 and EYFS.

More information will be given about the launch of the savings club later this term. In the meantime we are looking for **parent volunteers** to help run the savings club alongside some of our Y5 and Y6 pupils. The volunteers will help to operate the school savings club opening once a week on a Thursday 8:30 to 9:30. Parent volunteers will also support in the publicity and marketing of the savings club, and full training will be provided within school.

If you are interested in becoming a parent volunteer for our school savings club and want to find out more there will be a meeting on **Tuesday 15th January at 9am**. Otherwise please state your interest by completing the slip below by **Monday 21st January**.

Very best wishes,
Julie Jackson
LifeSavers Champion

[Please return by **Monday 21st January**.]

Name: Pupil/s in school:
.....

I am interested in volunteering to support the School Savings Club and I am available Thursday mornings from 8:15 to approximately 10:00.
