

30<sup>th</sup> January 2019

Dear Parents/Carers,

As you know, this year we are delighted to be taking part in the LifeSavers programme, helping our pupils learn about money and how to manage it wisely.

As part of LifeSavers we are partnering with a local credit union, Central Liverpool Credit Union, to provide an in-school savings club for pupils. The savings club will provide real life, hands-on money experiences for your children to help them develop into financially confident young people. They will learn about saving and setting savings targets for things they want. The emphasis will not be on the amount they save but developing a positive savings habit. All amounts saved, no matter how small, will be welcomed (with a maximum limit of £5 per week). Our savings club will be run by our own school volunteers and will run on: **Thursdays at 8:30 to 9:30 (term time)**.

At first we are starting the **Savings Club with KS2** (junior pupils). Any junior pupil is eligible to join the savings club and they will receive a Lifesavers passbook and wallet when they join. To register your child/ren you will need to attend one of the following meetings, where more information will be provided about LifeSavers and Our School Savings Club.

**Savings Club Meeting and Registration**  
**Thursday 7<sup>th</sup> February between 9am to 10am**  
**Tuesday 12<sup>th</sup> February between 3.15pm to 4.15pm**

We will be having a launch event for the savings club on **Thursday 7<sup>th</sup> March**. If your child would like to receive their passbook ready for the launch date we need applications completed by Tuesday 12<sup>th</sup> February. There will be further opportunities for children to join the Savings Club after the launch date.

We hope lots of our children will want to take part in the savings club.

Very best wishes,

Julie Jackson
