

Safer Internet Day 2019 | Tuesday
5 February
Together for a better internet
www.saferinternetday.org.uk

Dear Parents,
We have taken part in Safer Internet Day this week.

6.2.19

The children have learnt how to be **positive, safe and respectful** online. We have talked about how to ask for, give and receive **consent** online and how they take and share images and videos or how they **manage their privacy and data**.

The children have also enjoyed the fun of technology too – exploring VR goggles, spheros and merge cubes and some children even took part in our Hackers Project!

Share the SMART Rules with your family to help the children to stay safe online.

Helpful information and links are attached.

Look out for Twitter coming soon at Stockton Wood!

Yours sincerely,
S.E.Stacey
Head teacher

Stay safe online

Remember the 5 SMART rules when using the internet and mobile phones.

- S SAFE:** Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.
- m MEET:** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.
- a ACCEPTING:** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!
- R RELIABLE:** Someone online might lie about who they are, and information on the internet may not be true. Always check information with other websites, books or someone who knows.
- t TELL:** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
