

Safer Internet Day 2020 | Tuesday
11 February
Together for a better internet

Dear Parents,

7.2.20

We are taking part in **Safer Internet Day** next week. Activities will take place on Tuesday and Wednesday.

Parents are invited to a workshop with Carl Gilbertson from MGL on Wednesday, 12th February at 9.30am. Carl will help parents to keep up to date and provide top tips for keeping children safe on line.

All parents attending will be provided with access to a brand **new app 'Safer Schools'** which has just been launched at our school. The app provides a wealth of information for you as a parent to keep yourself and your family safe on line.

The children will be learning how to be **positive, safe and respectful** online.

The children will also enjoy the fun of technology too – exploring VR googles, spheros and merge cubes etc

Share the **SMART Rules** with your family to help the children to stay safe online.

Yours sincerely,

S.E.Price

Stay Safe Online
Remember the 5 SMART rules when using the internet and mobile phones.

- S SAFE:** Keep safe by being careful not to give out personal information when you're chatting or posting online. Personal information includes your email address, phone number and password.
- M MEET:** Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.
- A ACCEPTING:** Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!
- R RELIABLE:** Someone online might lie about who they are, and information on the internet may not be true. Always check information with other websites, books or someone who knows.
- T TELL:** Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
