

## Wider Opening of School – Phase 2

Dear Parents,

We are so pleased that we can invite **Year 6** (priority group) to return to school as part of our **Phase 2** plans. We are writing to confirm your child's place from **Monday, 29<sup>th</sup> June** and to inform you of our new arrangements.

We have followed all the Government guidance for minimising the spread of COVID 19. We have **new procedures** for our school site and for the management of children and adults on the school site to ensure the school environment is as safe as possible. Risk assessments have considered access, capacity within classrooms, circulation around the site and availability of staff and much more. As a result of our risk assessments and the COVID Safe procedures capacity within the school is reduced.

**Everybody has a part to play** to help us make our school as safe as possible. Our **COVID Safe Procedures must be followed**. A copy is attached please read carefully.

**By sending your child to school during this period, you are agreeing to follow our COVID Safe Procedures.**

As stated in our procedures, all KS2 children should use the **Stockton Wood Road entrance/exit**. This allows us to manage the movement of children and adults on the school site and reduce mixing of groups of children.

**KS2 children will be met at the Stockton Wood Road entrance by staff and directed to their classroom.**

**KS2 parents must not enter the school site.** If accompanying your child to school please say, 'Goodbye' at the school gate and **disperse quickly**.

KS2 children will be dismissed by staff from **Stockton Wood Road** school gate at end of day. If collecting your child from school again please **disperse quickly** at the end of the day.

Children will be part of a Bubble (15 children) made up of two groups of children from across Year 6.

Arrangements for your child are listed below:

<b>Entrance/Exit</b>	<b>Start time</b>	<b>Finish time</b>

We look forward to welcoming the children back to school. Thank you for supporting our COVID Safe Procedures.

Yours sincerely,
