

## Home Learning Pack

Dear Parents

5.10.20

Home learning packs have been delivered to our Year 2 children to support their learning during their period of self-isolation from 5<sup>th</sup> October to 15<sup>th</sup> October.

**The children are expected to complete the home learning activities in place of attending school.**

A blend of activities has been provided, on line activities and paper-based activities.

Please check Twitter throughout the day for instructions from the class teachers – just search for 'Y2 Stockton Wood Twitter' if you do not have a Twitter account and then you can follow the teachers' messages.

Class teachers will contact children and families by telephone as well during this period to provide support and to gather feedback.

Please contact school for guidance if you need any help with home learning activities.

We have previously provided pencils and crayons for the children. If you need any additional resources please let us know.

Children have been provided with log ins for:

Parents have been provided with instructions for creating a Twitter account. Thank you.

Yours sincerely, S.E.Price, Head teacher
