

Emergency INSET Day – School Closure 5.1.21

Dear Parents / Carers,

Firstly, I apologise for the delay providing information – the head teachers of the City have been waiting for clarification regarding the Prime Minister's announcement.

**This evening the Prime Minister announced that Primary schools must shut from tomorrow.**

Schools have been asked to then make provision for critical workers and vulnerable children until further notice.

Most parents will know if their child falls into this category from the summer term, but we appreciate people's situations change, so we have put a link to the government definition below.

**To allow us to plan for these changes and plan for remote learning for all children our school will be closed tomorrow for all children and will re open for Critical Worker parents and vulnerable children from Wednesday, 6.1.21.**

**If you are a Critical Worker and you genuinely cannot make provision for you child tomorrow please contact school from 8am to discuss arrangements.**

We will contact parents on Tuesday to confirm arrangements going forward regarding attendance of children of Critical Workers and Vulnerable children, our remote learning provision and information around free school meals.

Thank you for your understanding.

Yours sincerely,  
S.E.Price  
Head teacher
