

RM Easimaths New Version

ACCESS ON MORE DEVICES

Dear Parents,

Great news! RM Easimaths has moved to a new platform from the 4th of January 2021 and will work on a Chrome browser. (Edge, Safari and Firefox will be released shortly afterwards). **So use Chrome on all of your devices:** laptop, PC, tablet (iPad, Android, Amazon Fire or smartphones (Apple or Android).

Apps no longer work - just access through Chrome browser.

*** YOUR CHILD'S LOGIN HAS NOT CHANGED***

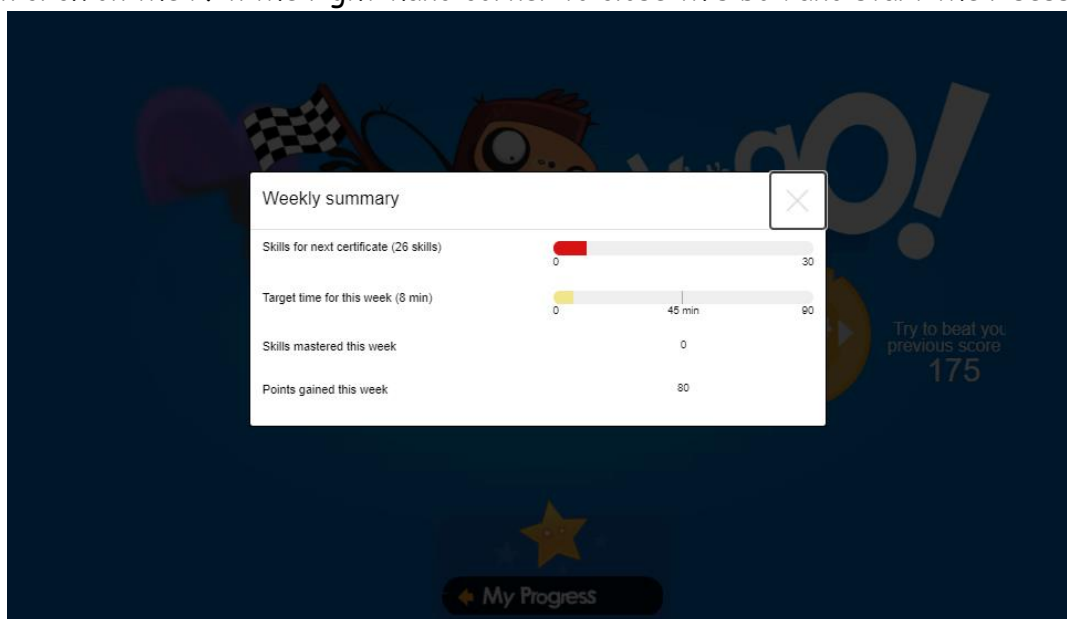

If you browse 'rmeasimaths' you will see this new login:

The new login page features a clean, modern design. It includes a 'Username' field with an '@' symbol and a 'Siteid' field. Below these is a 'Password' field. A link for 'Forgot Username or Password or Siteid?' is provided. At the bottom, there is a 'Login' button, an 'Or login with' option, and an 'RM Unify' button. A 'Buy a licence' link is also present.

If you browse 'rmeasimaths login' you will see the old login format:

The old login page has a dark header with the 'RMeasimaths' logo. Below the header is a large orange 'Login' button. Underneath, there is a 'Username' field, a 'Password' field, and a 'Forgot Username, Password or Siteid?' link. A 'Login' button and a 'Buy a licence' link are at the bottom.

When your child logs in they will see a new weekly summary box (giving details of *Skills for next certificate*, *Target time for this week*, *Skills mastered this week*, *Points gained this week*). They can click on the X in the right-hand corner to close this box and start their session.
