

## Parent Information

### Safer Internet Day – Tuesday, 9th February 2021

Dear Parents,

Safer Internet Day is such an important day to help children and grown ups to use the internet in a safe way. Please take part and share these activities with your family.

**EYFS – Nursery and Reception**

**Safer Internet Day 2021 will be celebrated in the UK with the theme:**

**An internet we trust: exploring reliability in the online world**

Some of you may have met the **Fantastic DigiDuck** before.

He's just like you - he loves using his computer to play games and keep in touch with his friends on the Internet, but still needs a grown up's help and some rules to help him keep safe .

This week we are going to read a Digi Duck story all about knowing what to trust on the Internet.

You can do this by reading all about [DigiDuck's Big Decision](#), where the story starts with DigiDuck exploring and have fun with his Computer

You can read the book, or watch the story being read to you on the video, or both:

<https://www.childnet.com/ufiles/DigiDuck-eBook.pdf>

Once you have read the story -

Can you...?

- Chat about the story with a grown up and name some of the characters?
- Draw a picture of your favourite part of the story and write down or tell someone a tip to stay safe on the internet?
- What other character would you like to see in the story?
- If you draw a picture, we would love to see it! Pop it in our post box when you go out for your daily exercise!

Yours sincerely,

S.E.Price (Head teacher)
