

Newsletter 8

Dear Parents,

COVID – Stay home! Stay Safe!

We still have work to do! Speke COVID rates second highest in City – 127 cases reported in Speke area this week. What can you do? Act like you've got it! Stay home where possible and stay COVID Safe. Sadly, the children can't play in each other's houses – if we mix in each other's houses we can spread the virus!

Let us know...

If someone within your household has tested positive and you and your family are self-isolating. Please tell us so we can tell our Stockton Wood Posties! You can tell us by emailing message to covidinfo@stocktonwood.liverpool.sch.uk

Home learning

Packs include daily schedules and activities to support home learning as usual and certificates for fantastic efforts and achievements! We are so proud of all our children and families' efforts!

Don't forget to follow Twitter for links and top tips from class teachers. If you are unable to access Twitter please call school and we will help you.

Zoom and TEAMS

Don't forget to **check out class times for Zoom and TEAM meetings** – it's a great time for checking in with classmates and catching up with class teachers. Thank you to everyone for supporting our Zoom and TEAMS sessions again this week.

Don't forget to remind children to follow our Code of Conduct so the children can all listen carefully and stay safe online. Children should be fully dressed and behave as they would in the classroom with their teacher.

Devices

Devices are being loaned to families of children identified as not having access to a device at home. Families are required to sign a school contract accepting responsibility for devices loaned and return of devices.

Place 2 Be's Children's Mental Health Week.

We are excited to be promoting Children's Mental Health Week 1-7 th February. Our Daily Schedules will reflect this and each class will be working on different activities linked to this year's theme, 'Express yourself'.

Expressing yourself is about finding ways to share feelings, thoughts, or ideas, through creativity. This could be through art, music, writing and poetry, dance and drama and doing activities that make you feel good. There are free resources for parents/carers. Find them at:

<https://www.childrensmentalhealthweek.org.uk/parents-and-carers/>

On Friday, we would like you to 'Dress to Express'. You could wear your comfiest clothes, your favourite colours, fancy dress – whatever makes you happy! Children who are attending school on site can take part too... but you may want to read the next section of the newsletter before you decide what you are going to wear!

LSSP Liverpool Schools Workout Friday 5th February

Exercise is great for our mental health, so as a finale to our Children's Mental Health Week, we will be taking part in this exciting event next Friday to raise money and support foodbanks in the North and South of Liverpool.

Follow link to take part: [Liverpool Schools Live Workout - Liverpool School Sports Partnership \(lssp.co.uk\)](https://lssp.co.uk) Children will be 'working out to help out'; we will be exercising with Liverpool Schools Sports Partnership.

We are asking children who are attending school on site to **donate an item towards a school food hamper** that we will then donate to a local food bank. We know this is a difficult time for many families, so any donation received is most welcome. Suggested food items include: tins of soup/vegetables, pasta, cereal, lentils and sauces. Families can register to take part at home too – please follow the link on your Daily Schedules. Please note that if you register to take part at home, fundraising is optional.

We hope you have a fun filled week!

Yours sincerely, S.E.Price Head teacher
