

Newsletter 9

Dear Parents,

COVID – Stay home! Stay Safe!

Thank you for supporting the 'stay home' message – only leave your home if it is absolutely necessary. By reducing contacts, we **can** control the spread of the virus. The City Directors' important letter tweeted and placed on school website last week is attached just in case some parents were not able to access it.

Free School Meal vouchers are enclosed for eligible families. If you are not at home to receive them we will try again next week.

Let us know...

Let us know if someone within your household has tested positive and you and your family are self-isolating. Please tell us so we can tell our Stockton Wood Posties!

Let us if your child tested positive after attending school so we can request contacts to self-isolate too.

You can tell us calling school or by emailing message to covidinfo@stocktonwood.liverpool.sch.uk

Home learning

Keep up the great efforts! You are amazing!

Don't forget to:

- follow Twitter for links and top tips from class teachers. If you are unable to access Twitter please call school and we will help you.
- **check out class times for Zoom and TEAM meetings** – class teachers will be there each day to motivate and sign post children to their learning. Older children also have assignments to download complete and upload for their class teachers. Any problems don't hesitate to call us.

Don't forget to remind children to follow our **Code of Conduct** so the children can all listen carefully and stay safe online. Children should be fully dressed and behave as they would in the classroom with their teacher.

We hope everyone enjoyed the **Children's Mental Health week** and enjoyed dressing up to express themselves! And... hopefully parents took some time for themselves too!

Art week – at this time of the term we would usually be getting ready for Art week in school so check out the home learning packs as we have popped some new crayons inside and invited KS1 and KS2 year groups to find out about different artists, for example, Banksy, Georgia O'Keefe, Quentin Blake etc.

As already mentioned in letters enclosed, next week is **Safer Internet Day** – please take time as a family to think and learn about staying safe when using the internet and social media.

And finally... next week the children will complete their **SEAL* topic – 'Getting on and Falling out'** by sharing their thoughts and feelings from their topic – check out Twitter and find out more!

(*SEAL: Social and Emotional Aspects of Learning)

This 'half term' ends on **Friday, 8th February** – time for a rest! We start our learning again week beginning **22nd February** – look out for Wellbeing Wednesdays!

Yours sincerely, S.E.Price Head teacher
