2:45	Diary—Keep a diary for each day. How you are feeling, what you have eaten, book reviews, TV reviews, weather report		
3:00	Well done for all your hard work today :)		

Wednesday Additional Notes

Phonics	<p>Every phonics lesson starts by revisiting all the letters we have learnt so far. This includes: s, a, t, p, i, n, m, d, g, o, c, k, ck, e, u, r, h, b, f, ff, l, ll, ss, j, v, w, x, y, z, zz.</p> <p>Phonics play has a race car game that will flash all the letters but if you want to make your own flash cards that would also be a great way to get 'in the phonics zone'.</p> <p>Now your child is in the zone, follow along with the video. The teacher is our friend and will let us know who's joining in ;)</p>
Literacy	<p>Recap the first half of your story map!</p> <p>Finish the second half.</p> <p>Remember to get the story back up and have a quick chat about what picture would help remember that page.</p>
Maths	<p>Repetition is key! Continue to consolidate your child's learning. Order numerals to 5, 10, 15 or 20.</p> <p>Match a number of objects to the correct numeral. If you went from 0-10 last week, try and go up to 15 this week.</p>
Strong Hands	<p>Strong hands is a good way to get us in the writing zone. You can make it fun with your child. Explain the way we need to do stretches before we exercise so we can perform better and not injure ourselves..</p> <p>...It is the same with strong hands activities! We need to do these exercises so we can do amazing writing. Take your time with pencil control sheets and think carefully about the movement your pencil is making.</p>
