

Newsletter 18

Dear Parents,

School is closed on **Friday, 28th May** for staff training day followed by the half term break. Children return to school on **Monday, 7th June**. Stay safe! Take care and heed National and local advice regarding Covid 19.

Schools' Football Week

We had lots of fun and developed our agility skills through our football training this week! Huge thank you to all our families for supporting our change to PE kits and arranging for children to wear their new jogging bottoms – a great success - children were warm and comfortable. We are happy to change any jogging bottoms if children have received the wrong size. Please let us know.

Be an Ally!

Along with the Premier League, we are learning to be allies at Stockton Wood!

Allies are brave, curious and speak out against racism!

? **How can you be a good ally?**

- Anyone has the potential to be an ally.
- Good allies make an effort to better understand the struggle of people who experience racism.
- Allies are powerful voices alongside their friends who face racism.
- Allies are brave, curious and speak out against racism.

No room for racism

Attendance

Families will receive our Attendance Traffic Light letters to day. Our traffic lights help families to be aware of the children's level of attendance. **It's good to be green** – please celebrate good attendance! Amber and red lights will alert parents so that they can strive to ensure children attend school every day! Please contact school if you have any concerns about attendance and would welcome support.

Looking forward...

As COVID regulations start to ease we can now offer extra- curricular activities. These will start in KS2 – look out for year group (bubbles) clubs starting after half term including tennis, rounders and athletics.

Staying safe

Once again, we urge families to be vigilant and aware of children's online activities and use of social media.

Take positive action

Help make the internet a more trustworthy and respectful place...

Remember that the online world is for everyone so always treat others with respect. If you see anything online that worries or upsets you, use the block and report buttons to take positive action to stop it and tell an adult what's happened. By working together, we can make the internet a better, more respectful and more trustworthy place.

Mobile Phones

Please ensure children do not bring mobile phones to school – please note this means that children should not wear watches that can be used as a phone as well. Thank you for your support.

Please remember you can contact us by telephone (01514861778) if you need to chat with class teachers, ask a question or share a concern. We are always ready to help and assist.

We hope everyone enjoys the half term break and look forward to the children returning to school on Monday, 7th June.

Yours sincerely,

S.E.Price

Head teacher
