

Newsletter 20

Dear Parents,

COVID

Stay alert! Stay safe! Keep your social distance!

As you are aware we have a spike in COVID infections in the North West area. Please be vigilant and continue to follow COVID safe procedures at home, at school and when 'out and about'. On entering the school site **face masks** should be worn and when waiting to drop off or pick up please **maintain 2m distance** from each other.

Thank you for supporting self-isolation arrangements when required, we do appreciate that self-isolating affects children, families and staffing in school. Please contact us if we can help in anyway. Please note we are operating on a reduced staff which does unfortunately impact upon some aspects of the school day, for example, school meal menu and school activities. We will endeavour to keep any changes to a minimum. Thank you for your understanding.

Safer Internet Day

We have been busy this week reminding ourselves of how to stay safe on line and when using social media. Check out our Twitter accounts and website for helpful information and links for parents. Look out over next few weeks for helpful flyers. Today's flyer is all about WhatsApp!

Be vigilant and be aware of children's online activities and use of social media.

Please remember you can contact us by telephone (01514861778) if you need to chat with class teachers, ask a question or share a concern. We are always ready to help and assist.

Yours sincerely,

S.E.Price

Head teacher
