

## COVID SAFE PROCEDURES @ STOCKTON WOOD

To help us make our school as safe as possible everybody has a part to play, COVID Safe Procedures should be followed.

- If your child has, or are showing **symptoms of coronavirus** (a new continuous cough or fever, a loss of or change in your normal sense of taste or smell), your child **should not attend or visit school and you should inform us** if this is the case.
- Children should be **collected promptly** from school if they develop symptoms compatible with COVID-19 or if they need intimate care.
- Only **one adult** from a household should bring, or collect, your child or children to or from school each day. Parents should **not** enter the school building. **Only parents of nursery and infant and Year 3 children may enter the school site.** If parents need to speak to a member of staff **please contact us at school by telephone.**
- Older siblings may accompany their parent bringing infant brothers and sisters but should say 'goodbye' to their parent in the infant play area and make their way to the KS2 classroom on their own. Staff will be on site to supervise the children in this instance.
- Junior children will **not** be dismissed early with infant siblings and parents should collect junior children from Stockton Wood Road at their allocated time. Please wait away from the school perimeter until your child is due to be dismissed.

Please note these arrangements are subject to change.

Entrance/exit to and from school will be controlled. Please follow the 'one way' system.

- Infant children (FS/KS1) (with parents and older siblings) should enter at All Saints Road and exit by Sutton Wood Road.
  - Year 3 parents may enter at Stockton Wood Road and exit by Sutton Wood Road.
  - Parents must not park in Sutton Wood Road. It is very narrow and dangerous and there will be many children crossing roads. **Park 200m away from school site and walk.**
  - Junior children (KS2) should enter and exit at Stockton Wood Road. KS2 Parents should not enter school site except Year 3.

- 'Social distancing' should be maintained on arrival and on site.

- Children should attend school every day and be punctual and brought to school at their year group's allocated time.
- **Uniform should be worn including a practical coat for outdoor activities and sturdy and strong shoes.** Children must **bring a coat** everyday even if the sun is shining! We are promoting outdoor learning and windows and doors are open throughout the day – it can get cool.
