

Year 6 End of Year Events

Dear Parents/Carers,

As you are aware we are responding to an increase in COVID cases within our communities across the City which is impacting directly upon schools, children and families and leading to children being asked to self-isolate. Families have been incredible supportive of this situation and the children affected have responded incredibly well.

With this in mind and endeavouring to stay safe we have drawn up a plan for Year 6 end of term activities – we had hoped restrictions may have been lifted by now and we would have more options!

Monday 5th July Year 6 Photography Day

The children will spend the day with a professional photographer, using cameras and creating photographs of their memories of their journey through school which will be printed on a DVD for all children.

Monday, 12th July Trail Day

The children will take part in orienteering activities and challenges and enjoy a picnic in our expansive school grounds.

Wednesday, 14th July Beach Party

The children are invited to attend our Beach Party will take place between 5pm – 7pm. As it is a 'Beach Party' theme, children are invited to dress for the beach eg, shorts, t-shirts, sunglasses, Hawaiian lei flowers, grass skirt etc.

Please indicate below whether your child will be attending the party and whether they will be collected or allowed to walk home alone at 7pm.

COVID Safe procedures will be in place and parents should not enter the school grounds.

Thursday, 15th July Year 6 Assembly 10am

We are inviting Year 6 parents to join a virtual assembly via Zoom so that children can share a pre-recorded assembly with you. Sadly, not the normal format but still a great opportunity to mark the end of the children's journey at Stockton Wood and send them on their way!

We will send the link nearer the time!

Friday, 16th July

Bring a t-shirt for traditional 'signing of t- shirt event'!

Please be mindful that arrangements are subject to change due to the possible impact of COVID and self-isolation.

We are incredibly proud of the children's great efforts this year they have responded brilliantly to the changes and developed new skills to manage their learning in school and at home!

Please contact us at school if you need any further information.

Yours Sincerely

S.E.Price
