

Liverpool Maths Party!

Dear Parents,

On **Friday 25th September** we will be holding our sixth Maths Party Day.

The children will be enjoying maths through stories, number puzzles and challenges.

We are celebrating the importance of maths to our lives. Maths is part of our everyday life! How have you used Maths today? Take a Maths hunt at home!

We will also be having a fun Maths themed lunch.

We even have virtual Maths party bags for you! Check out Twitter or visit our website, 'Newsletters' and follow the links below!
