## Flu Vaccines

Dear Parents,

Flu vaccines will be administered in school on 8<sup>th</sup> December 2021.

**Only children whose parents have given consent will receive a Flu Vaccine.**

Public Health are urging all families to give consent for their child to receive the flu vaccine to help to protect them from flu. Remember, flu is a really unpleasant illness and having your child vaccinated with a quick, painless nasal spray is the best way to protect them, your family and friends.

To give consent please use the link below and **only** if you are unable to use the link complete a paper copy of the consent form.

Link: <https://forms.merseycare.nhs.uk/flu-vaccination>

The link can also be found on our website 'Newsletter' page and Twitter as well.

If you have any difficulties accessing the link please contact the immunisation team who will be happy to help - 0151 295 3833.

We understand that some people may not want to take up this offer and we ask that you still complete the form and choose that you don't want your child to receive it to avoid our service contacting you.

If your child is in a different year group for their age please add the year group according to their DOB to ensure you can progress with completing the form.

Yours sincerely,

School based immunisation services
