Dear Parents and Carers,

COVID Safe Procedures

Thank you so much for supporting our COVID procedures. Currently, Speke has the highest level of COVID infections in the City. The data shows that the age group with the most infections is '25 – 44 years of age', with this in mind, please wear face masks, keep your social distance and use LFT tests at home weekly so that we can reduce the spread of infection. If speaking directly to a member of staff please wear a face mask. Thank you.

Dates for your diary

Anti-Bullying Week

Monday 15th November sees the start of Anti-Bullying Week and we have launched our 'Say No to Bullying' topic this week. We are asking children and staff to wear odd socks on **Monday!** This is a great opportunity to encourage people to express themselves and celebrate their individuality and their uniqueness.

Children in Need

On **Friday 19th November** we will be supporting Children in Need. Children can wear their own clothes in exchange for a £1 donation (a family donation is welcome). **Dress up or dress down!** You can dress up in sequins, sparkles or fancy dress OR you can dress down and wear comfortable sportswear. The theme this year is '**Together We Can**'. Each class will vote on an activity that they can do together for fun.

Autumn Term Parents' Meetings

Our Autumn Term Parents' Meetings will take place on Thursday, 25th November between 4pm and 7pm. The meetings will take place via Zoom and parents will be provided with a time and link for the meeting. If you have any difficulties connecting please let us know. We are really looking forward to catching up and sharing how the children have settled into the year and sharing information about their progress and achievements.

PS. Birthday cakes – lovely to share – but please send individual cakes in sealed packets rather than one large cake that needs to be sliced and wrapped in school! Thank you!

Take care and stay safe – let's act together to reduce infection rates before Christmas!

Yours sincerely, S.E.Price, Head teacher
