

September 2022

Dear KS2,

We have some exciting news for our new academic year! This year, we are going to be using a website called Language Angels to help us to deliver our French curriculum. Your teacher will be using resources from the website in class but you can also use our special login details to play games and learn songs at home to help you with your topics.

If you would like to play the games at home, search for the website and use the login details below...

### PUPIL LOGIN DETAILS

**Website:** [www.languageangels.com](http://www.languageangels.com)

**Username:** stocktonwood

**Password:** stockton

Your first unit in school will be "I'm Learning French" so that is a good place for you to start at home but you can try others too if you would like to.

Have Fun exploring and don't forget to ask if you need any help!

Miss Aitken

MFL Co-Ordinator
