‘Laying the Foundations for Life’

15.3.24

Hello everyone,

World Book Day

Thank you so much for taking part in our ‘Decorate a Spoon’ competition. We were blown away by the entries! We did share some photographs on X/Twitter and have displayed as many as we can in school.

Marie Curie Fundraiser

Next Thursday we will be fundraising for Marie Curie – there will be a number of different ways to support us with this (please note they are all optional):

-children are invited to wear something bright for the day! Anything that stands out and that you are comfortable in!

-Marie Curie daffodil badges will be on sale before school. Suggested donation is £1. These will be on sale by the main entrance and by Reception classrooms. (Please note we have approximately 300 of these badges)

-cake sale: we would welcome cake donations on Thursday morning. School Council will support with selling cakes at playtime.

- as well as having special assemblies delivered by Marie Curie staff, some year groups will also be taking part in a daffodil hunt in the school grounds. Extra playtime for the winning class!

-please note that cash will be necessary for both the cake and badges sale.

Trainers

We have noticed a high number of children wearing trainers. Please can I remind you that school shoes are a necessary part of our school uniform. We appreciate that children may have grown out of school shoes but do ask that children return to school after the Easter holiday wearing school shoes. Sheila will be contacting families to discuss this and to offer any school support. We do have a small number of brand new girls’ school shoes in sizes 5 and 6 if anyone is interested.

Attendance for this week

		Year 3	96%
Reception	87%	Year 4	94%
Year 1	91%	Year 5	95%
Year 2	93%	Year 6	96%
		Average	93%

The school attendance target is 97%.
