Hello everyone,

Reading

Thank you to those children who have made a real effort to bring in their reading books and reading records **DAILY**. After half term, each child in Years 1-6 will be receiving a bookmark that they can use to collect reading stickers that will then be exchanged for prizes. Year 5 and 6 will be taking part in an exciting reading event that is supported by the National Literacy Trust. We will also be looking forward to World Book Day:

World Book Day - Thursday 6th March

Please come to school wearing your favourite colour! We will be reading a variety of colour themed books during the day.

Extreme Reading Competition

We are launching an "Extreme Reading" competition, where we are inviting all of our pupils to take a photograph of themselves reading in an exciting or unusual place. Whether it's reading on top of a mountain, underwater, or even upside down, we want to see your child's creativity and passion for reading shine through. Please take a picture of your child reading in a unique location and submit it to the school office by Tuesday 25th February. We will then display all the entries in the school, and we will select the winners in the following categories:

- Most Creative Location
- Funniest Photograph
- Best Overall Photo

The winners in each category will receive a special prize, and we will celebrate their achievements in a school assembly. At Stockton Wood, we are committed to fostering a love of reading in all our pupils.

Stay and Learn

Thank you for joining us for our Stay and Learn Session this week. Hopefully you enjoyed your time with us – as well as learning something new too! Our next sessions will be the week beginning 1st April.

REMINDER: Friday 14th February is an Inset day and school is closed.

Bikes and scooters

Please can you speak to your child(ren) about the importance of keeping themselves safe when riding their bike or scooter to school. Two families have shared concerns about older children riding in front of cars outside of the school gates.
